

The 12th Ward Fall Festival/Cruise-In originally scheduled for Sunday, September 19, 2010 has been cancelled

The 12th Ward Civic Association had been dedicated to providing a safe place for our members and the public to gather, and has provided community events and recreational facilities for decades. We are geared to continue providing for the community for many years to come.

In the past several years, we have had major problems with the Altoona Association of Model Railroaders, who have an implied license to exist on the 2nd floor of the 12th Ward Civic Center. We have asked the officials with the City of Altoona repeatedly to help us and we have been ignored. They have allowed this group to financially strangle our association and the City has received countless letters and phone calls from us, with no response. Consequently, the community events we have come to be recognized for are cancelled until the City officials take action and stop ignoring the issues.

We appreciate all of the past support that the public has shown us. We, again, are poised to continue providing community service and events in the future, but the City officials are hindering those efforts by ignoring critical issues. We ask that you contact the officials with the City of Altoona to show your support of the 12th Ward Civic Association and its efforts to make our community a better place. To get involved further with the 12th Ward Civic Association, check out our website at www.12thwardcivicasociation.com.
